

PRICE REDUCED!!!!

Print Shield® Xtreme pressure sensitive laminating films.

Print Shield® Xtreme is used for your toughest finishing applications. The aggressive acrylic adhesive provides the best over-laminate protection available for virtually any inkjet ink technology, including most UV curable inks. Print Shield® Xtreme is ideal for outdoor use as it protects against the damage and fading caused by UVA and UVB exposure. Print Shield Xtreme UV films have an indoor durability of five years and an outdoor durability of three to five years.

Gloss

P/N	Size	Old MSRP	New MSRP	Savings
83103	38" x 200'	\$ 469.00	\$ 408.60	\$ 60.40
