1/8"x40x60	\$ 7.55	25	\$ 188.75

Your customers and our environment are demanding more "GREEN" products. Ecolo-board is an acid free corrugated cardboard that is laminated on both sides with an acid free SBC paper. The entire board is made from 100% recycled material and is fully biodegradable. It is light in weight and the SBC paper allows for a smooth substrate for mounting purposes.
